EXPERIENCE

Alice is a specialist in Corporate M&A and TMT matters and has extensive experience in advising international and local clients across multiple jurisdictions in the Asia-Pacific region. Her practice encompasses mergers and acquisitions, joint-ventures, commercial contracts, corporate restructuring, business investment and funding, data privacy, IP commercialization, with a focus on emerging and disruptive technologies.

Alice provides services to clients at all levels of growth in the digital business and technology sectors, from seed and investment stage startups to the world's leading technology companies. She works in Hong Kong and across South East Asia, on wide range of corporate matters ranging from common day-to-day operational issues, such as corporate structuring, commercial contracts, employee incentive plans, and shareholder disputes, to complex transactional work, acquisitions and takeovers, capital fund raising, strategic investments, and cross-border private equity transactions.

Alice is heavily involved in the technology communities in Hong Kong and participated in major industry initiatives and campaigns.

PROFESSIONAL HIGHLIGHTS

- Assisted the world's number one B-to-B distributor of electrical products and related solutions in its various acquisitions across Asia, including China, Hong Kong, Australia, New Zealand, Japan, Malaysia, Indonesia, Thailand and Singapore, also acted as its external general counsel in the Asia Pacific region
